

WATCH | AFTER, A #PROPER AFTERHOURS W/ MAX GRAHAM

BY CODY SHARP IN ARTICLES · VIDEOS · WATCH — 3 MAR, 2014

Remember that one Las Vegas afterhours whose [list of rules went viral](#)? February 22nd marked their opening night (morning) with **Max Graham** from 4 till 9 am. Besides keeping the dance floor going that long, the night went off as planned and both Graham and the attendees had an amazing time.

AFTER intends to bring techno, tech house, and deep house in to the “cookie cutter” **Las Vegas** scene. Graham was happy to be the first headliner because it allowed him to play what he wanted and “not have to worry about catering to the small minority versus the majority of the dancefloor.”
